

6 QUICK PET PROOFING TIPS

1. Don't leave medications on low nightstands
2. Store cleaning products in latched cabinets
3. Tuck away or tape down electrical wires
4. Close the lid on toilets and trash cans
5. Keep food, especially candy, out of reach
6. Make sure window screens are secure

Products are underwritten by the United States Fire Insurance Company and administered by Fairmont Specialty Insurance Agency, Inc. (FSIA Insurance Agency in CA), members of the Crum & Forster Enterprise. Hartville Pet Insurance GroupSM is a trademark of United States Fire Insurance Company. ASPCA does not offer insurance. Through a strategic licensing agreement, in exchange for use of ASPCA trademarks, the ASPCA is paid a royalty fee of up to 10% of the purchase price, with a minimum of \$1.95 million to be recognized over at least three years.

KEEPING YOUR PET SAFE

We love our pets for their curiosity and eagerness to play, but those same qualities can get them into trouble.

This guide can help you keep your pet safe by alerting you to 101 common pet dangers in and around the home.

It also has important information about ASPCA Pet Health Insurance, which can help cover the veterinary bills if your pet gets hurt or sick.
