DEDUCTIBLE AND CO-PAYMENT

From the total of all covered costs that occur during the **Plan Period** of the certificate, **we** shall deduct the amount shown in this Certificate as deductible. This deductible will be applied once in each **Plan Period** to all covered costs occurring during the **Plan Period**.

Once **you** have paid the deductible, **you** share a part of each claim with **us**. This is referred to as **your** co-payment. **We** will pay eighty (80) percent of **reasonable costs** for each covered claim up to the limit of liability. **Your** share will be twenty (20) percent of each covered claim.

LIMIT OF LIABILITY

Regardless of the number of claims made for covered **illnesses** or **injuries** that occur and are treated during the **Plan Period**, **our** total liability for all covered costs that result from one **illness** or **injury** shall not exceed the amount shown on the Certificate page as "Limit Per **Illness** or **Injury**". All benefits under this plan shall cease when this plan terminates. **We** will honor all covered costs for an **illness** or **injury** which occur and are treated within the originally-manifested **Plan Period** and prior to its termination date. At renewal, the benefits and limits of this certificate along with the deductible are reinstated. The renewal will cover **illness** and/or **injury** that:

The only **illnesses** or **injuries** that will be covered on the renewal term are:

- b) those **illnesses** and/or **injuries** that have been cured and not treated for a period of 180 days.

The certificate does renew for new losses that occur in that new certificate year.
